Card Payment Processing

We are pleased to advise that we are now able to offer card payment for competition entries, bookings and other purchases from us.

Due to the charges we will incur by offering this new service we need to apply a surcharge for handling the card payment which will be applied against the following values:

- Less than £50 there will be a surcharge of £1.00 applied to the payment
- Values between £51 and £100 there will be a surcharge of £2.00 applied to the payment
- Values over £101 will be charged in increments of £1.00 / £50.

We hope this new service is of benefit to our clients.
