**NEW ON - LINE ENTRIES**

We are pleased to advise competitors that those who enter our unaffiliated dressage competitions by card payment over the telephone or by visiting our premises and using their card can submit their entry form (s) electronically via our web site.

This applies to our unaffiliated dressage events only.

There will be no need to post your entry

Affiliated competition entries can be paid by card but an official entry form must be received before the competition.

We hope this new service is of benefit to our clients.
