Notes for team registration

Teams must register their team name and the occupants with British Dressage. The name chosen must not have been used before. If the composition of the team changes (i.e. a rider or horse drops out), changes to the team must be registered with BD. All riders who take part in the final must have taken part in the team qualification.

Teams can be made of 3 or 4 different riders. Riders can be members or non-members, on registered or unregistered horses; however, each team must have at least one BD paid registered member. Two team members may declare to ride the same horse on the team.

To enable results to be tracked, team members who are not already BD members will be asked to register for free as a 'Team Quest Member'. This can be done easily via the BD website www.britishdressage.co.uk

Only 1 member of the team can be above a BD Group 7 rider.

For all Team Quest competitions all combinations must be eligible for intro, preliminary or novice level competition (in accordance with BD rules).

A team can be made up of any combination of levels for example; 4 intro riders or 2 Intro and 2 Prelim riders or 1 intro 2 prelim and 1 novice rider.

Please return your form to: **Team Quest, British Dressage, Building 2020, Copse Lane, Meriden Business Park, Meriden, West Midlands, CV5 9RG** or email to teamquest@britishdressage.co.uk.
